***Christie was an 18-year-old young woman who passed away on June 24, 2008, as a result of her injuries suffered in a car accident.***

***Christie had a real zest for life. She was a funny and big-hearted person, who was very compassionate. Christie was open-minded and had strong social values; a leader and a hard-worker, who inspired those around her. Christie had a real passion for hockey; she loved the game, the competition, and most of all her teammates. Come join us in memory of Christie Rose and help support the Christie Rose Scholarship fund, the London Jrs and the Trillium Gift of Life.***
