

TGLN's 2017 Yearly Status Report

The points below summarize key accomplishments in this year.

- Continued AODA training of new employees, including our Board of Directors on accessibility standards;
- Arranged third party vendor to scan our website to identify if we are 100% WCAG 2.0 Level A compliant and identify what work is required to upgrade to WCAG 2.0 Level AA including website and web content, testing and review of Level AA Guidelines;
- Updated two organizational policies related to AODA; Accommodation in the Workplace and Accessibility for Ontarians Customer Service and Integrated Accessibility Standards (IASR);
- Changed the home page of *SuccessFactors*, our performance management tool, to reflect our accommodation process;
